

Lewis Howes Question: What do you think happens when we die?

Answer: Shouldn't we learn about the afterlife from the one who returned from it? By studying the gospels, we learn a lot about the Resurrected Life. Mrs Tippet quoted men with theories. The Gospel presents the first man off the assembly line of the New Creation.

Jesus said to her, "I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live," **(John 11:25)**
